Prices include masking all threads, finish stripping/sandblasting, cleaning, degreasing, and coating parts.

There is a **50% additional charge** for colors such as clear coats and translucent/anodized/candy colors due to being a 2-step coating process. Please give us a call or email us if you are unsure.

Cast iron, cast aluminum and magnesium parts may experience out-gassing and or bubbling in the finished powder coating. Fairwater will take every precaution to avoid out-gassing, however Fairwater cannot be held responsible for bubbling caused by porous coatings.

Each piece must be disassembled or an additional \$55 an hour charge will apply for tear down and prep.

If you do not see a part listed that you would like to have powder coated, please don't hesitate to call, and inquire about servicing your parts!
